Anti-Social Behaviour (ASB) covers many types of actions from low-level persistent nuisance to serious public disturbance and is behaviour that:

- is capable of causing nuisance and annoyance
- is likely to cause harassment, alarm or distress
- creates significant and persistent problems in the neighbourhood
- Leaves communities intimidated and afraid.

Examples of such behaviour would include: noise, harassment, vandalism, graffiti and fly tipping, nuisance neighbours, street drinking, intimidation and threats, violence and hate behaviour that targets members of identified groups because of their perceived differences.

How do I report ASB?

- Report report it via the Norfolk Police website at <https://www.norfolk.police.uk/contact-us/6-report-it/08-anti-social-behaviour>
- Contact Norfolk Police by calling **101**.
- Contact your local District Council.
- Social housing tenants can report the problem to their Housing Officer.

In an emergency always call the police on **999**.

WHAT'S HAPPENING IN YOUR AREA?

The Wells Safer Neighbourhood Team have been busy out on daily foot beat patrols in Staithe Street making sure that they are being visible in the community.

They have also been visible all over the Coast with their continued Marine Crime patrols although due to miserable weather they haven't managed to get out on the boat.

The team have been concentrating on the Coast and the Holkham Estate as the visitor numbers have been huge undertaking several patrols out beach at Holkham.

The team met with Border Force early on this month and agreed joint further working with them.

Finally, this is PC Pegden's last Parish Newsletter update as he is retiring this month and PC Simon Blakeney will be replacing him as the Beat Manager for the area.

He'd like to thank everyone for their support over the years.
